

ONLY A SUGGESTION.

But It Has Proven of Interest and Value to Thousands.

Common sense would suggest that if one wishes to become healthy and plump it can only result from the food we eat and digest, and that food should be albuminous or flesh-forming food, like eggs, beef, steak and cereals. In other words, the kinds of food that make flesh are the foods which form the greater part of our daily bills of fare.

But the trouble is that, while we eat enough and generally too much, the stomach, from abuse and overwork, does not properly digest and assimilate it, which is the reason so many people remain thin and underweight; the digestive organs do not completely digest the flesh-forming beefsteak and eggs and similar wholesome food.

There are thousands of such who are really confirmed dyspeptics, although they may have no particular pain or inconvenience from their stomachs.

If such persons would lay their prejudices aside and make a regular practice of taking after each meal one or two of Stuart's Dyspepsia Tablets, the food would be quickly and thoroughly digested, because these tablets contain the natural pepsin and diastase which every weak stomach lacks, and by supplying this want the stomach is soon enabled to retain its natural tone and vigor.

Stuart's Dyspepsia Tablets digest every form of flesh-forming food—meat, eggs, bread and potatoes. This is the reason they so quickly build up, strengthen and invigorate thin, dyspeptic men, women and children.

Invalids and children, even the most delicate, use them with marked benefit, as they contain no strong, irritating drugs, no cathartics nor any harmful ingredient.

Stuart's Dyspepsia Tablets are the most successful and most widely known of any remedy for stomach troubles, because it is the most reasonable and scientific of modern medicines.

Stuart's Dyspepsia Tablets are sold by every druggist in the United States and Canada, as well as in Great Britain, at 50 cents for complete treatment.

Nothing further is required to cure any stomach trouble or to make thin, nervous, dyspeptic people strong, plump and well.

SURPRISE FOR MISS M'COY.
High-School Pupils Give a Maak Party in Her Honor.

A masque entitled "The Downfall of Indifference" was given yesterday afternoon in the High School Auditorium by the College Club, composed of High School girls, in honor of the former president, Miss Martha McCoy.

The prologue was delivered by Miss Edna Wahlert, while the part of Queen Indifference was portrayed by Miss Vine Colby.

The other parts were as follows: Higher Education, Miss Cornelia Coulter, who wrote the masque; Preface, Miss Sarah LeVitt, and maiden, Miss Judith Levi. Miss Rushaupt accompanied on the piano.

The masque is supposed to have been a colony of people ruled by the Queen, who with the magic wand wins over all the Queen's subjects, including Strength, and finally banishes the Queen.

At the proper moment, Miss McCoy was ushered on the stage, and although the event was a surprise to her, she made a short speech, in which she thanked the pupils for the honor that they had bestowed upon her. She was then crowned with a laurel wreath.

The teachers who assisted in presenting the masque were: Miss LeVitt, Mrs. Ladlum and Mr. C. Stratton. Miss Margaret Barlow is president of the club.

Perfect Sight.
Is enjoyed by few. Perhaps with glasses your vision would be vastly improved. Consult our expert opticians, Dr. Bond and Dr. Montgomery—eyes tested free and a proper fit guaranteed. Street frames, \$1 and up; gold, \$5 and up.

MATTHEWS CASE
IS DISMISSED.

Judge Graves Rules Evidence Does Not Warrant Holding St. Louis County Senator.

CROW OPPOSES THE DECISION.

Farris and Smith Trials Are Continued Until September 5 and 7 Because of Lee's Illness.

REPUBLIC SPECIAL.
Jefferson City, Mo., March 22.—The bribery case of Senator Buell Matthews of St. Louis County was disposed of in the County Circuit Court to-day by Judge W. W. Graves, special judge sitting in the case, by ordering a dismissal of the cause on account of the lack of evidence offered by the State. The evidence at hand was furnished by John A. Lee alone, and Attorney General Crow admitted that he had not been able to obtain additional evidence against Matthews.

The cases of Senator Frank Farris and Charles Smith were continued by Judge Graves to September 5 and 7, respectively. Attorney General Crow opposed the setting of the case to such a distant date, but Judge Graves stated that he could not find time to try them before then. This disposes of all the State boodle trials in Jefferson City until fall.

Mr. Crow was not in favor of dismissing the Matthews case, but Judge Graves did not think the State was justified in holding the defendant until fall before trying him.

Lee testified before the Grand Jury that Matthews was present in the room when the money was alleged to have been paid over to Farris. Later, Lee stated positively that Matthews was there and was of the opinion that he was mistaken in his first statement. Matthews had always been ready for trial, but the case was continued each time in order to preserve the sequence of the boodle cases and give the State the strongest case first.

SAFELOWERS PLEAD GUILTY.
Ward, Shumway and Seely Get Two Years Each.

Two years each in the Penitentiary is the penalty Frank Ward, John C. Shumway and Edward Seely will pay for having introduced, fused and otherwise abused materials in their possession.

Each of the defendants entered a plea of guilty in Judge McDonald's court yesterday, just sixteen days after their arrest.

Shumway, Ward and Seely had a room at No. 64 South Broadway, the house which bears the tablet unveiled by Mark Twain, marking it as the birthplace of Eugene Field.

The case was due to clever work on the part of Detectives James Moran and Patrick Murphy. Attired as a tramp, Moran saved among the trio of alleged safeblowers for a week, gained their confidence and obtained incriminating evidence against them. Murphy was never away from Moran, ready at any time to assist him, if needed.

While the police have been unable to fasten the blowing of safes in the offices of the Buxington Construction Company and the Warren Cokes Company on the three men it has been noted by Chief DeLoach that not a safe has been blown since Ward, Shumway and Seely were arrested.

Chief DeLoach yesterday complimented Moran and Murphy on their work in capturing the trio and the success of their case in court.

RECEIVES BOGUS CHECK.
Made Out for \$825 in Return for Loan of \$5.

In return for \$5 which he gave to a man who said he was stranded, Louis Henry of Nebel, Ill., yesterday afternoon received a bogus check on the German Savings Institution for \$825. Henry, at once reported the matter to the police.

Henry was approached by the man on the levee as he was training his dog. The stranger told him he was going to make the trip down the river on the steamer Stucker Lee.

After talking to Henry for several minutes, the stranger finally offered to give him \$5, which he said he needed to pay for some furniture.

Henry accompanied the man to the Merchants' Exchange, where he received a check for \$825. The check was made payable to H. Summers and is signed "C. L. Company." The check is dated April 4, 1904.

REWARD FOR CLIF WOODWARD
Governor Dockery After Alleged Pemiscot County Murderer.

REPUBLIC SPECIAL.
Jefferson City, Mo., March 22.—Governor Dockery to-day offered a State reward of \$500, good for one year, for the arrest and conviction of Clifford Woodward, who is charged with having murdered Edward Pettie in Pemiscot County January 18.

Want to Find Mrs. Mary Hawkins.
The St. Louis police were requested yesterday to locate Mrs. Mary Hawkins, whose address is wanted in Louisville, Ky. According to the information, Mrs. Hawkins was born in St. Louis and is about 40 years old. Property which was left to her relatives by Mrs. Bridget McNearney of that city, cannot be settled until Mrs. Hawkins is located.

Rural Free Delivery.
Washington, March 22.—Rural free delivery service has been established to commence April 15 as follows:

Illinois—Bureau, Woodford County: route 1; length of route, 2 1/2 miles; population served, 250. Route 2; length of route, 2 1/2 miles; population served, 250. Route 3; length of route, 2 1/2 miles; population served, 250. Route 4; length of route, 2 1/2 miles; population served, 250. Route 5; length of route, 2 1/2 miles; population served, 250.
